The 3 Things they REALLY want in their next hire

1.   LIKEABLE: Are you likeable? Can I work with you 8 hours a day?
2.   HEADACHE-FREE: Will you be headache-free? Will you make my job easier?
3.   COMPETENT: Will you get the job done – and done well?

In other words … a recent study by Millenial Branding found that the top 3 attributes companies are looking for in their next hire are these:

1. 84% - A positive attitude
2. 83% - Communication skills
3. 74% - Ability to work well in a team
