

# Define that dream!

## What you *really* want.

If there were no barriers, what would you like to be doing? Think about the work, the money, the people, the challenges and the rewards. What will bring you success, joy and the life you want? The first step is the hardest. Once you define the dream, you will be amazed and how quickly opportunities begin to show up for you.

## Define that dream

EXERCISE: Imagine your life 2 - 3 years from now ...

- What kind of work are you doing?

---

- Where? (Onsite? At home? Online? Overseas?)

---

- When? (full-time? Part-time? Days? Weekends?)

---

- How? (how are you getting your work done?)

---

- For whom (industries, companies)?

---

- *With* whom (what kind of people?)

---

- Money: How much are you making ... and how is your pay structured? (Straight salary, hourly, bonus ...?)
